ENROLMENT FEES FOR NEW STUDENTS
The following fees are payable with regards to the enrolment of a new student:

- **Application Fee** - The fee for an Application for Enrolment is $80.00 and is payable upon lodgement of an application. The fee is non-refundable and non-transferable and is charged to cover the costs of administration.

- **Confirmation Fee** – An Enrolment Confirmation Fee of $500.00 is payable on acceptance of an offer of enrolment. This fee is non-refundable and is allocated to support the operations of the College Bursary Fund, a facility established to assist and support families with daughters enrolled at the College who are experiencing unexpected and/or ongoing financial difficulty or hardship.

Sibling Discounts
Discount applies for students in a family, provided that the children are attending the College simultaneously. These discounts are applicable to Tuition Fees only.

- Second Child 20%
- Third Child 30%
- Fourth Child 50%

Textbook Hire & Textbook Resource Allowance
Lourdes Hill has an established Textbook Hire Scheme. Its purpose is to provide a service to the school community by eliminating the necessity and financial imposition for parents having to make annual textbook purchases. Funds provided by the State Government Textbook and Resource Allowance Scheme are used to support and operate this Scheme.
Explanation of Core Fees

**Charged per Student**

**Tuition Fees** – Unless otherwise listed below are inclusive of all curricular activities and programmes. This includes the provision of all printed materials, provision and use of equipment and resources, excursions (excluding any voluntary trips, camps, functions or professional performances), transport to school sporting events, annual school magazine, school photos and textbook hire.

Note - Tuition Fees also include the cost of student workbooks which are provided to students across each year as a core component of curriculum. In 2016, student workbooks will cover subject areas such as Languages in Years 7 – 9, English in Year 10 and QCS Pathways to Success Workbooks for Years 11-12.

**Technology Levy** - Assists with the provision of student IT resources including software licensing, system and internet access, printing, security, protection, filtering and custody of student IT resources.

The technology levy also incorporates the operation of the College’s 1:1 laptop/notebook programme which complements school curriculum and has proven to provide a more innovative and compelling learning experience. Cost is inclusive of the selected device, carry bag or hard-sided slipcase, warranty agreement and wireless capability.

All students are provided with their own personal device and students retain ownership of the device upon completion of Year 12. Students departing the College prior to Year 12 may choose to retain their device upon payment of the equivalent instalments outstanding through until their final year.

**Charged per Family**

**Capital Levy** – This levy is necessary to assist in the funding of capital equipment and the development of low to medium scale infrastructure projects for the College. The levy is applied annually and is an integral source of funds to assist in meeting the continued need for modern and effective facilities.

In 2016, funding sourced through this levy has been targeted to support:

- Classroom refurbishment program – K Block and Senior School area
- Student & Staff Amenities revitalisation
- Upgrade to front of class IT / AV resources
- Bernadette Centre Grotto enhancement (2016 Centenary Celebrations)
- Polding Theatre Audio-Visual capacity enhancements
- Additional tiered seating within Stella Sports Centre
- A range of upgraded educational and sporting equipment to be used by students across all year levels.

Note – as a compulsory charge, Capital Levy payments are not tax deductible. However, the College also maintains the operation of a School Building Fund for additional voluntary capital donations which are 100% tax deductible. Further information on this facility is provided on page 3 of the Fees Schedule.

**P&F Levy** – This levy is administered by the College on behalf of the Lourdes Hill College Parents & Friends Association. All funds collected by the College are forwarded to the Association to support their annual student projects and fundraising activities.
COMPULSORY CHARGES
Other Compulsory charges are invoiced separately. These charges may include outstanding fees for laptop repairs (insurance excess) and/or non-returned textbooks.

The standard excess for laptop repairs is $55.00.

ELECTIVE CHARGES
Non-compulsory costs are isolated from Core Fees to ensure that their recovery is linked to only those students / families who specifically choose to benefit from their provision. These charges include:

- **Extra-Curricular Programmes** – A unique and valued aspect of the learning afforded students at Lourdes Hill College is the breadth of extra-curricular opportunities available. Optional activities, which are additional to the school curriculum, include voluntary sporting activities, sporting clubs / groups, musical tuition and cultural groups, social activities, debating, Year 11 Semi-Formal, Year 12 Formal and Farewell Dinner.

- **Camps and Retreats** – Whilst all compulsory excursions are funded through Core Tuition Fees, the cost of any voluntary trips, camps, retreats and performances are separately charged.

Parents are required to authorise a student’s involvement in any elective activity and are advised as to costs at the time of enrolment.

LHC VOLUNTARY BUILDING FUND
Families are encouraged to make optional, voluntary payments to the College Building Fund for which a tax deduction is claimable. This Building Fund provides important financial support for major capital infrastructure projects and the ongoing facility renovation programme within the School.

Across 2012-2014, the primary focus of the College Master Plan was the construction of the Bernadette Centre learning precinct. This multi-story building now houses the expanded Middle School, auditorium, tuckshop and upgraded facilities/classrooms for science, drama and music. During this time, the Master Plan also supported the construction of the Chapel of Our Lady of Lourdes and the Stella Sports Centre.

From 2015-2017 the primary focus of the College Master Plan has moved to the refurbishment of the Senior School precinct. This project includes the redesign of selected existing spaces to align to the lifestyle and “ways-of-thinking” of contemporary adolescents approaching the secondary-tertiary interface and includes the creation of dedicated research hubs, careers centre, lecture theatre, social spaces and outdoor student malls.

Donations to the Building Fund can be made online, through the College’s web payment portal, or by contacting the College Fees Coordinator.
